NEW!!! [Take a survey](#) on Novell's Support Tools!

Welcome to Novell's Online Services!

This system is designed to help answer questions you have about Novell or about Novell's products. Feel free to give us your input on this service.

You can:

- Solve your technical questions about any of Novell's products using our Technical Support Databases.
- Find all relevant files, patches or updates using our Searchable FTP/Gopher Archive.
- Access a separate Technical Support Database for each of Novell's Products.
- Find out more about Novell Products from our Online Product Buyer's Guide.
- Download patches, updates, drivers, etc. from our NetWire FTP area.
- Send pre-sales questions to Novell Product Specialists using our Product Information forms.
- Access the UnixWare Service and Support area.
- Download the latest Novell Press Releases area.
- Link to our services in the Novell European Support Center
- Submit your comments on Novell's World Wide Web services.
- And Much Much More! :-)

Major Areas in this service are:

- Service And Support
- Sales and Marketing
- What's New
- New User Info
